

ITA's Fabulous Happening in Vegas!

Come Early, Stay Late

It's A Must Attend Event!

Marlene Markus and Nadine Abbit (co-presidents) and Jan Griffin and Judy Domenigoni (co-vice-presidents) are excited that the 2013 ITA fun-filled convention will be held in Las Vegas, the City that never sleeps! We are planning a great convention. The Las Vegas area has lots of wonderful things to do and see - Bellagio Fountains and Conservatory, Mirage Volcano, Fremont Street Experience, Lake Mead, Red Rock Canyon National Conservation Area, Circus Circus, CSI Experience, Forum Shops at Caesars, M&M's World, Shark Reef at Mandalay Bay, the Atomic Testing Museum, Las Vegas Mob Experience, Madame Tussauds Las Vegas, the fabulous hotels on the strip, and many more. So plan on arriving early and/or stay after the convention ends (at convention rates at The Orleans Hotel) to take advantage of all Las Vegas has to offer. Book your hotel now. The cutoff date is July 29, 2013.

The Las Vegas McCarron Airport is just a few miles away with inexpensive cabs. If groups arrive together, they can share a cab for the same rate as one. For those who are coming by car there is abundant free parking at The Orleans, as well as at all other hotels/casinos. There are plenty of other public transportation options. Busses on the strip run 24/7. The Orleans has a free shuttle to the strip. The Las Vegas Monorail runs the length of the strip and makes key stops along the way.

The Double Trouble Golf Tournament will take place on Friday morning. Please see the attached flyer for further information.

For those who come early, and we recommend that you do, we will be attending The Orleans' Comedy Club Thursday night. Please let us know in advance so we can reserve the group rate tickets. Dinner will be on your own.

Saturday morning we will be going on a bus narrated tour of Hoover Dam. There will be photo opportunities of Lake Mead and The Colorado River. The tour will include the Dam Discovery Tour with full access to the Generator Room. We will also have access to the Visitor's Center, Photo Exhibit Hall, Museum and Theater featuring "The Construction of the Hoover Dam." A delicious box lunch is included in the price.

Saturday night we will be attending Tony and Tina's Wedding dinner show. This is an interactive theater experience and a lot of fun. No presents please!

The usual raffle and silent auction will be held on Sunday night. Please bring your auction items.

See you in Vegas!
